

**DIGITAL PRESSURE GAUGE**

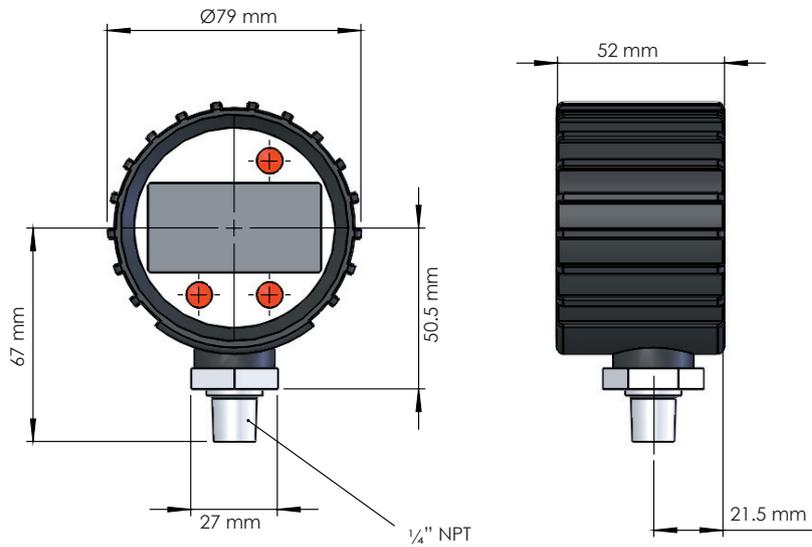

5 digit LCD display

Choice of pressure readings

0.5% full scale accuracy

- ▶ High quality, general purpose gauge to measure pressure up to 1000 bar (14503 psi)
- ▶ Displays readings in bar, psi, mpa and kg/cm<sup>2</sup>
- ▶ LCD display with 12 mm, 5 digit upper line pressure reading and 6 mm, 5 digit lower line unit reading
- ▶ Blue backlight allows for easy reading in poor visibility conditions
- ▶ Minimum 2000 hours battery life (3 VDC)
- ▶ Supplied with rubber enclosure to help protect against accidental impact
- ▶ Features include tare, min & max memory and IP65 weatherproof enclosure rating
- ▶ Compatible gauge mounting blocks are detailed on page 57

Model number	Gauge diameter (mm)	Pressure reading (bar)	Pressure reading (psi)	Pressure reading (mpa)	Pressure reading (kg/cm <sup>2</sup> )	Inlet thread	Weight (kg)
HDG1	70	0-1000	0-14503	0-100	0-1019.7	1/4"-18 NPT	0.2
